CORPUS CHRISTI – Another record-breaking event will take place Friday May 9th aboard the USS LEXINGTON. Over **300 Gold Wing motorcycles** and 710 riders will board the ship and lineup on the flight deck for an opportunity of a lifetime. The bikes will load via the aircraft elevator that currently serves as the entrance to the Museum. The loading and unloading itself is part of the show and excitement of the event entitled “08 Rally Wings Ahoy.” The bikes will begin staging on Corpus Christi Beach Friday afternoon at 3pm and will begin loading at 5pm.

The Gold Wing Road Riders Association, Texas District, is sponsoring this rally and is expecting riders from across the United States. According to Texas District Director, Ken Peterson, registered participants are coming from 18 states ranging from Northern California to Baltimore, Maryland. The rally headquarters hotel is the Holiday Inn Airport and the opening social event begins at 6:00 p.m. this evening in the outdoor parking area of the hotel.
